DANGER IN DELAY.

**Kidney Diseases Are Too Dan-
gerous For Mt. Sterling
People to Neglect.**

The great danger of kidney
troubles is that they get a firm
hold before the sufferer recognizes
them. Health is gradually under-
mined. Backache, headache, ner-
vousness, lameness, soreness, lum-
bago, urinary troubles, dropsy,
diabetes and Bright's disease fol-
low in merciless succession. Don't
neglect your kidneys. Cure the
kidneys with the certain and safe
remedy, Doan's Kidney Pills,
which has cured people right here
in Mt. Sterling.

Chas. Wilson, 14 Richmond
Ave., Mt. Sterling, Ky., says:
"At my work I am on my feet
nearly all the time and this weak-
ened my kidneys, causing back-
ache. My bladder became affected
and I was annoyed by too frequent
passages of the kidney secretions,
especially at night. I was finally
told to give Doan's Kidney Pills a
trial and I procured a box at F.
C. Duerson's drug store. I re-
ceived permanent relief from the
kidney difficulty and the pain
through my back were disposed of.
I am pleased to recommend Doan's
Kidney Pills to other persons, as I
know that they can be depended
upon."

For sale by all dealers. Price
50 cents. Foster-Milburn Co.,
Buffalo, New York, sole agents for
the United States.

Remember the name—Doan's
and take no other. 24 2t
